

SOLDIERS SPEND STRENUOUS DAY

Duties of Camp and Schedule of Drills Keep Them Occupied.

FUNERAL OF GENERAL NALLE

Former Adjutant-General Is Laid Away With Full Military Honors.

(Special to The Times-Dispatch.) Camp Sale, Culpeper, Va., August 1.—This has been a strenuous day for the Second Regiment. The schedule of drills consisted of four hours in squad company and battalion, in extended order. The regiment returned from the drill greatly fatigued, but in cheerful spirits, and an hour's rest found the men ready and willing for their other duties.

A special order from the Adjutant-General at Virginia received at camp headquarters assigns for duty during the remainder of the time of camp, Sergeant Gordon C. Kelly and Corporal M. S. Widdon, of the First Infantry. These non-commissioned officers are assigned to the quartermaster's department.

For the purpose of passing upon the qualifications of the recently elected officers in the Second Regiment, a board comprised of Colonel J. L. Lane, Major C. L. Wright, Major J. Allen Potts has been appointed. The board has not yet been made public, but it is believed that each officer appearing was successful in his examination.

Lieutenant R. S. Knox, U. S. A., was relieved today from further duty with the camp. He is succeeded by Captain Holtzell, U. S. A. Captain Holtzell has been assigned by the War Department permanent duty with Virginia's volunteer soldiers, and will make his home in Richmond.

Funeral of General Nalle

All that was mortal of the late General W. Nalle was laid to rest in the Fairview Cemetery today. The body was escorted to the grave by the Second Virginia Regiment, followed by the family, immediate friends and General Vaughan and his entire staff. As the casket was taken from the house, the regimental band played "Safe in the Arms of Jesus." At the grave the band rendered "Lead, Kindly Light." As the body was lowered into its last resting place, the band played "Onward, Christian Soldiers."

The funeral ceremony was the most largely attended of any ever held in Culpeper, and gave evidence of the high esteem in which General Nalle was held by his friends and neighbors. The following close personal friends of General Nalle acted as pallbearers: Honorary Wallace Nalle, John A. Holtzman, H. C. Burrows, Major Ambler Brook, P. L. Jamison, Active—E. H. Gibson, George H. H. G. F. Major John Covington, R. L. Rossen and J. W. Yancey, Jr. The Rev. W. W. Winfrey conducted the funeral services and Chaplain Cleveland Hall, of the regiment, pronounced the benediction.

Every officer and man who could possibly be spared attended the ceremony. The post flag was displayed at half-staff from reveille until after the funeral. Sincere regret at General Nalle's death is very generally expressed by officers and men to whom he was well and favorably known. The weather this afternoon was the hottest experienced during the encampment.

RUNAWAY ACCIDENT

Small Girl Thrown Out and Rendered Unconscious.

As a result of breaking shafts, a runaway accident occurred yesterday afternoon about 5:30 o'clock at Lombardy and Broad streets. Mrs. Osborne Feithaus, of 1205 West Leigh Street, with her two daughters, Elizabeth and Helen, were driving in a buggy when the harness gave way and the horse started to run, overturning the vehicle, throwing all three occupants heavily to the street. Mrs. Feithaus was badly cut on the elbow and injured about the hip. The older girl escaped injury, but the younger, Helen, fell on her head, and was picked up unconscious. She was found to be severely bruised over the eye and on the forehead, but soon revived under treatment administered by Ambulance Surgeon Watts. A carriage was called and all three went home under care of their family physician.

(Special to The Times-Dispatch.) Danville, Va., August 1.—A cablegram has been received announcing the illness in a Paris hospital of Miss Beulah Fuller of this city, with typhoid fever. TIGERS EASILY WIN SECOND GAME

Play Rings Around Shoemakers, Batting In Runs at Will. Morrison Stars.

(Special to The Times-Dispatch.) Roanoke, Va., August 1.—Playing rings around their opponents in every department of the game, the Tigers ran away with the second game easily today, 8 to 3. Eldred pitched great ball except in the sixth, while Stark was hit hard all the way. Eldred struck out ten men. A home run by Pressly when the ball was lost in the high grass in left field and Morrison came home from third. However, it turned out that he had left the base before the ball to McCauley at third, Flynn calling the runner out. This made three down. The batting and fielding of Ed Cefalu at short were the most noteworthy features of the contest, which was almost too one-sided to be interesting. Morrison made two difficult catches in left field for the visitors. In the opinion of local fans this boy is about the best outfielder who has appeared on the local lot this season. The score:

BERNSTEIN ARRESTED

Warrant Charges Fake Marriage Ceremony With Miss Swisky.

L. Bernstein, fifty-eight years old, was arrested yesterday by Detective Sergeant Bailey and Detective Belton on a warrant charging him with betraying Annie Swisky, the alleged crime having occurred in 1907. It is charged that Bernstein married Miss Swisky in a fake ceremony performed in Richmond by a man pretending to be a minister, and that Bernstein was already married at the time.

Later, it is further said, the woman went to New York, where she began proceedings for divorce. It was then discovered, it is alleged, that there was no need for a divorce, no legal marriage having been performed. So Miss Swisky was charged with betraying Bernstein, charging him with betraying her confidence and trust. A letter filled with endearing terms said to have been written by Bernstein will be introduced in evidence. It was originally written in Russian, so that the detective could understand its tenor and purport.

Miss Swisky will be represented by Rhine and Rinehart, who have taken up the case through the city attorney for the woman. Miss Swisky is said to be more than forty years old and a widow.

BOWMAN WILL RETURN

Veteran Legislator Declared Nominee.

Also Jennings, of Lynchburg. Colonel A. M. Bowman, for ten years chairman of the Finance Committee of the House of Delegates, spent yesterday in Richmond. Colonel Bowman was chuckling over the fact that he is off on a holiday, and he departed for Old Point in the afternoon, on seaboating and fishing intent.

At sunset yesterday Colonel Bowman was declared the nominee for re-election from Roanoke county, having no opposition within the party. His only opponent is Erastus P. Payne, who is running as an independent temperance candidate. In his announcement Mr. Payne says his platform is abolition of the State Pension Board. There is no opposition to him.

Another member of the House who became the nominee to succeed himself yesterday is Tipton D. Jennings, of Lynchburg. He is another of the older members, with a long record, which has brought him the chairmanship of the Committee on Counties, Cities and Towns, and membership on the Finance Committee.

Sheriff Lee Vint of Cumberland county, Md., and a friend of the missing boy's family were in Richmond yesterday in search of "Bud" Snider, alleged to have been kidnapped by a band of Hays Hartlett and Mrs. Bertrand Hays. They found, it is stated, that Snider had been seen here and is believed to have been taken to Norfolk. Sheriff Vint went to Norfolk late yesterday afternoon, accompanied by Vollemer Gentry, who had been detailed to help him here. Mrs. Hays is in prison in the Fairfax county jail.

News of South Richmond

South Richmond Bureau, The Times-Dispatch.

Phone Madison 778.

There is another matter about which the residents of Woodland Heights are greatly concerned, and that is the question of obtaining better carrier service from the authorities. The general opinion among residents of this community seems to be that they are unfairly discriminated against in favor of Barton Heights, and such other suburbs as Woodville and Fairmount. Only carrier now serving them has a route along Semmes Avenue, and the residents claim that a mounted carrier is needed to thoroughly cover this community, some parts of which are far removed from the above-mentioned street.

The Woodland Heights residents are, now, pleased to know that this matter has not been entirely neglected by the postal authorities. Superintendent Smith has for some time endeavored to obtain this service, and his efforts are now bearing fruit. Edgar Childers, superintendent of carriers from Richmond, is in a painstaking manner, investigating the route question.

Greatly in Need of Rain.

Travelers through the county during the past few days have all made note of the fact that the roads and even the roads have been intended with great numbers of birds, which seems to be seeking water. One citizen states that his horse almost ran over birds several times during a journey to South Richmond from the country. The farmers throughout the county are complaining of the lack of rain.

The Finance Committee of the Council Monday night recommended the appropriation of \$250 for rent of the Leader Building, which will contain the fittings of the office of the municipal council. The move is made necessary on account of the fact that the old office of the Council will be torn down to provide place on their journey up Hill Street.

Personal and General. Mrs. David W. Carter, of J. Carter and Master Walter Carter left yesterday for Petersburg as a wedding party. The bride is Miss Beulah Cheatham, daughter of "Squire" Cheatham, has left for a visit to Whitaker, N. C., where her uncle is president of the Whitaker Bank.

On August 3 the Oak Grove Baptist Church will hold its regular monthly meeting. Rev. E. C. Lancaster is the pastor of this church. H. F. McLean and family, of Michigan City, Ind., will spend several days in South Richmond as the guests of Mrs. P. Angell.

Miss V. Bismark, of West Thirteenth Street, has left for a visit with friends at Fayetteville and Wilmington, N. C. The regular business meeting of Stuart Lodge, Independent Order of Odd-Fellows, was held last night at Odd-Fellows' Hall at 8 o'clock.

W. T. Kelly, of West Thirteenth Street, has been confined for several days to his home with sickness.

On a warrant sworn out by H. G. Smith yesterday evening C. C. Hughes was arrested. The charge was that he attempted to pass a worthless check, and the case will come up before Justice Maurice in the Police Court this morning.

Flee From Revolver Shots. Seeing a negro on his back porch just as he was closing up the house for the night, A. Randolph Holladay,

covering the ground each day with the carrier and making notes which, it is hoped, will produce results entirely satisfactory to the residents of Woodland Heights. This little suburb has developed much community spirit in the past few days, and no doubt obtain the service desired.

Fire at Oak Grove

Residents of South Richmond were surprised to learn yesterday there had been a fire at Oak Grove Sunday night, a fire, which nearly resulted fatally to several people. This was at the residence of Mrs. Shaw, and was caused by the explosion of a lamp. The children of the household were for some time in serious danger and barely escaped being burned. When news of this fire reached South Richmond it caused much excitement, for Mrs. Shaw is one of the best known residents of Oak Grove. It will be recalled that Mrs. Shaw was a short time ago the presiding officer of a mass-meeting in South Richmond for the purpose of raising money for a new school.

Property Transfer

Judge Wells yesterday entered a sale in chancery in the case of John B. Westcott against his estate and others, upon the report of Special Commissioner William Fullam. This property, which was advertised for sale by publication, was sold yesterday to W. B. Bryce and J. E. Trevillian for the sum of \$100, all cash. The property has its longest side for about 150 feet along Hancock Street in South Richmond.

The living-room of Clerk DuVal is now completely fitted with its cases and only awaits the inspection of Building Inspector Beck, of Richmond, who will probably visit the courthouse during the next few days for this purpose. The room now presents the appearance of a well-stated business office, lined with the steel filing cases. There are also three large desks for the convenience of the assistant clerk of the court.

Big German Picnic

Out at the old Schutte place, about one and one-half miles beyond Forest Hill Park, the German community are preparing to hold on August 9 a real old-fashioned German picnic. The origin of this idea seems to have come from the desire on the part of the German residents of this district to provide better educational facilities for their children. At an event the proceeds of the picnic will go toward the fund for a schoolhouse for that locality. With their usual thoroughness these people have already begun to make preparations for the picnic, the program for the meeting being now started. The picnic, including pig knuckles and sauerkraut, will be the chief attraction for the day, and this feature alone would be worth a journey from Richmond.

of 610 West Franklin Street, last night fired twice at the intruder, and the latter left only his tracks. Entrance to the house had not been gained, though that was evidently the negro's purpose in making his late visit. The police were notified, but there were no clues, and the would-be burglar did not return.
